Medical & Management Update in Golf Scenery

MUGS 2021

April 22-25, 2021

Anantara Vilamoura Resort

Algarve, Portugal

www.update-in-healthcare.be

“Update in Healthcare” brings rewarded specialists together for an **interactive meeting with the highest standards**, providing updated information on **healthcare innovation & healthcare management & general management** and this in the most stunning venues of the word. The well-balanced program consists of lectures and interactive discussions. Our attendees will be able to gain **credits for CME and Economy & Ethics**.

The venue of this years meeting is located in the **exclusive setting** of the Anantara Vilamoura Resort in the Algarve, Portugal. This resort has a privileged location overlooking the lush expanse of Victoria Golf Course, where the Portugal Masters is held every year.

Beside the scientific meeting, we provide the **ideal modalities to play golf** or to improve your golf skills. A private two half-day golf tournament is organized on two different courses (Victoria and Millennium Course). On the other hand, you will find a range of opportunities to explore all the hotel facilities and its surroundings.

Please remind that this conference & meeting is dedicated to golfers (max. hcp 34), accompanied with (or without) their partners (golfers or non-golfers).

On behalf of the local Organizing Committee, we sincerely hope to welcome you and your partner at this unique meeting.

Bart Claikens, M.D., M.B.A. Founder “Update in Healthcare” & Program Director MUGS

Alex Favril, M.D. Program & Leisure Director MUGS
